Greetings **“2014” Renewal Licensees:**

All licensees scheduled to renew their license by no later than June 30, 2014, please be advised that the Board is experiencing some minor technical difficulties with the Board's website renewal process, which has resulted in some licensee's inability to renew their license.

The licensing renewal issues are the result of an external factor not under the Board's control. However, the Board has dedicated personnel who are working to resolve the problems.

The Board fully expects that the on-line issues that some licensees are experiencing will be resolved by no later than next week Wednesday, May 7, 2014.

We apologize for any inconvenience this may have caused you. Thank you for your continued cooperation, but most importantly your patience.

Sincerely,

*Laurie Sheffield-James*
